About This Content

It takes more than a standard semi-trailer to deliver these loads! When a cargo gets heavy, it's time for more axles to satisfy the DOT and make it safely across that br 5d3b920ae0

Title: American Truck Simulator - Heavy Cargo Pack

A great DLC to offer more deliveries.. I think my review of the heavy cargo pack for Euro Truck Simulator 2 is equally applicable to this. This DLC adds a significant addition to gameplay by adding longer, heavier trailers with different configurations. Interestingly the trailers are different to the one in Euro Truck Simulator 2. So the added variety make this definitely worth a play. I wouldn't recommend this DLC when you first start the game but once you have played for a bit and are enjoying it then this will appreciate this new dimension to the game.. A great DLC to offer more deliveries.. I think my review of the heavy cargo pack for Euro Truck Simulator 2 is equally applicable to this. This DLC adds a significant addition to gameplay by adding longer, heavier trailers with different configurations. Interestingly the trailers are different to the one in Euro Truck Simulator 2. So the added variety make this definitely worth a play. I wouldn't recommend this DLC when you first start the game but once you have played for a bit and are enjoying it then this will appreciate this new dimension to the game.. It's basically special transport except that you don't take up 3 lanes and without the brake-checking police escort.. It's basically special transport except that you don't take up 3 lanes and without the brake-checking police escort.
